PROJECTS

LMS Website — Content Lead

<http://lms.sonoma.edu/>

December 2018

Assigned as lead content creator for Sonoma State's Learning Management System Pilot website: lms.sonoma.edu. Designed, built and created website from ground up through Drupal CMS.

Created various graphics for website and worked with SSU Web Services Director to make website comply with University web & accessibility standards.

Andy's Unity Park Garden Service-Learning Project

January 2017 - May 2017

Coordinated with Environmental Studies professor Karna Wong with creating a service-learning project with students in ENSP 311 at Sonoma

State Universities. Students researched and created case-studies on different community gardens in the SF Bay Area and created reports and to-scale models of what Andy's Unity Park community garden could possibly look like.

Youth Connections College Mentorship Program

January 2017 - May 2017

Created, planned and implemented college mentorship program between Sonoma State college students in service-learning courses and students in Youth Connections, a John Muir Charter school with Community Action Partnership of Sonoma County.

Worked alongside John Muir/CAP Sonoma staff in creating structure and risk-management procedures, recruited and trained Sonoma State volunteers and organized several events including a college panel with students from SRJC & SSU, as well as planned and coordinated a shadow day at Sonoma State University.
